Omkar Nagvekar

Software Engineer | Backend | APIs, CMS & UI/UX

Mapusa, Goa, India

Summary

I'm a Software Engineer with 3.5 years of experience working with backend systems, APIs, and CMS platforms. I work closely with the backend team to develop features, improve performance, and support integrations. I'm also involved in R&D work to explore better solutions and improvements. Along with backend development, I contribute to UI implementation when required. Currently focused on strengthening my fundamentals and growing as a well-rounded engineer.
